If a scholarship-holder absents himself without good reason on the re-opening day after the vacation for the school or college, the scholarship for the vacation is liable to be withheld under the orders of the sanctioning authority.

(7) No person receiving a scholarship under this notification shall be permitted to hold any other scholarship awarded wholly or partly by Government without the special sanction of the Director. Such sanction will be accorded only for very distinguished merit.

3. Tapping licenses shall be issued on the application—

- (a) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;
- (b) of persons having the exclusive privilege of manufacture and supply of fermented toddy abroad at foreign fairs;
- (c) of persons on their own application in the South Canara district, provided that the application for license is accompanied by an application for a permit for the transport of the toddy down to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;
- (d) of toddy cutters generally, and of licensed tappers in the Godavari district, and in the Narmada, Shivamogga, Tanjavur, Ellore and Tanjore taluks of the Madras district, for not more than five trees in the case of free tappers and three trees in the case of licensed tappers, for the drawing of toddy required for domestic consumption, but not for sale;
- (e) of toddy shopkeepers or retailers in the Mysore territory and in the Bangalore State desiring to obtain toddy from trees growing in British territory; and
- (f) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the British and Madras Inspectors of the State.

In cases (a), (b), (c), and (e), the license may be issued in the name of the applicant himself or of his nominee, and in cases (d) and (f) in the name of the applicant only.

4. Persons wishing to apply for the grant of free-tapping licenses must first pay the fee for the first instalment thereof, on the same day as the date on which they desire to tap, into a Government treasury, which may be either the District treasury, a Taluk treasury or a Sub treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. Pudukkottai revenue when applying for trees in British territory must pay the full tree tax into a British treasury at the time presenting an application.

5. (1) Applications for the grant of free-tapping licenses must be made in the prescribed form to the Inspectors, Madras, Madras and Coimbatore Departments in charge of the areas in which the trees are situated.

Forms may be obtained from the Inspectors of Madras, Madras and Coimbatore Departments, and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications may be by shopkeepers and tappers and not by stamped; those put in by other persons must have a counter-stamp of not above. In any case, if the fees have been paid into a treasury, the application must require a certificate of payment from the treasury officer; if payment has been made in a village head the receipt must accompany the application. Mysore revenue and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and submit payment before the British Tahsildar or Deputy Tahsildar concerned, along with the application in form T. 2. 5, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a free-tapping license in Mysore. The tree-tax should be calculated at the higher rate if the trees are on the same or the two sides of the frontier.

(2) Applications for free-tapping licenses in the South Canara district should be countersigned by the owner of the trees intended to be marked in the name of his owner.

6. Tolly shopkeepers in areas adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasury and subject to such regulations regarding permits, etc., as may be prescribed in the local. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the use of forests for tapping trees in either territory on the application of persons or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to effecting no license or for other sufficient causes and the same payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licenses for trees so reserved.

7. Tolly shopkeepers in British territory adjoining the Bangalore State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Mysore district. Similarly those in the Bangalore State will be allowed to tap trees in the adjoining British territory.

8. Persons applying for the grant of licenses will be responsible to Government for all sums payable on account of the tree tax intended to be tapped.

9. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will cause the steps for the marking of the trees by an officer superior in rank to a petty officer and for the use of the license. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be held to be forfeited at the Collector's discretion.

(2) In the Godavari district and in the Narmada, Shivamogga, Tanjavur, Ellore and Tanjore taluks of the Madras district, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate trunks or blocks.

10. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

11. No tree shall be tapped, nor shall toddy be drawn, from any toddy tree, nor shall any pot be attached to any toddy tree, until the tree has been marked by the proper officer.

12. For palm-trees and date trees in the Presidency and the District (except Fijit) trees in South Canara, free-tapping licenses shall be annual, that is, in force from 1st October to any subsequent date in the third September immediately following, and for coconut and sugar trees they shall be half yearly, that is, in force from 1st October or any subsequent date to the 1st March immediately
